

# York, White Rose Grid, NGS: Working Together

Connecting Infrastructure

Connecting Research

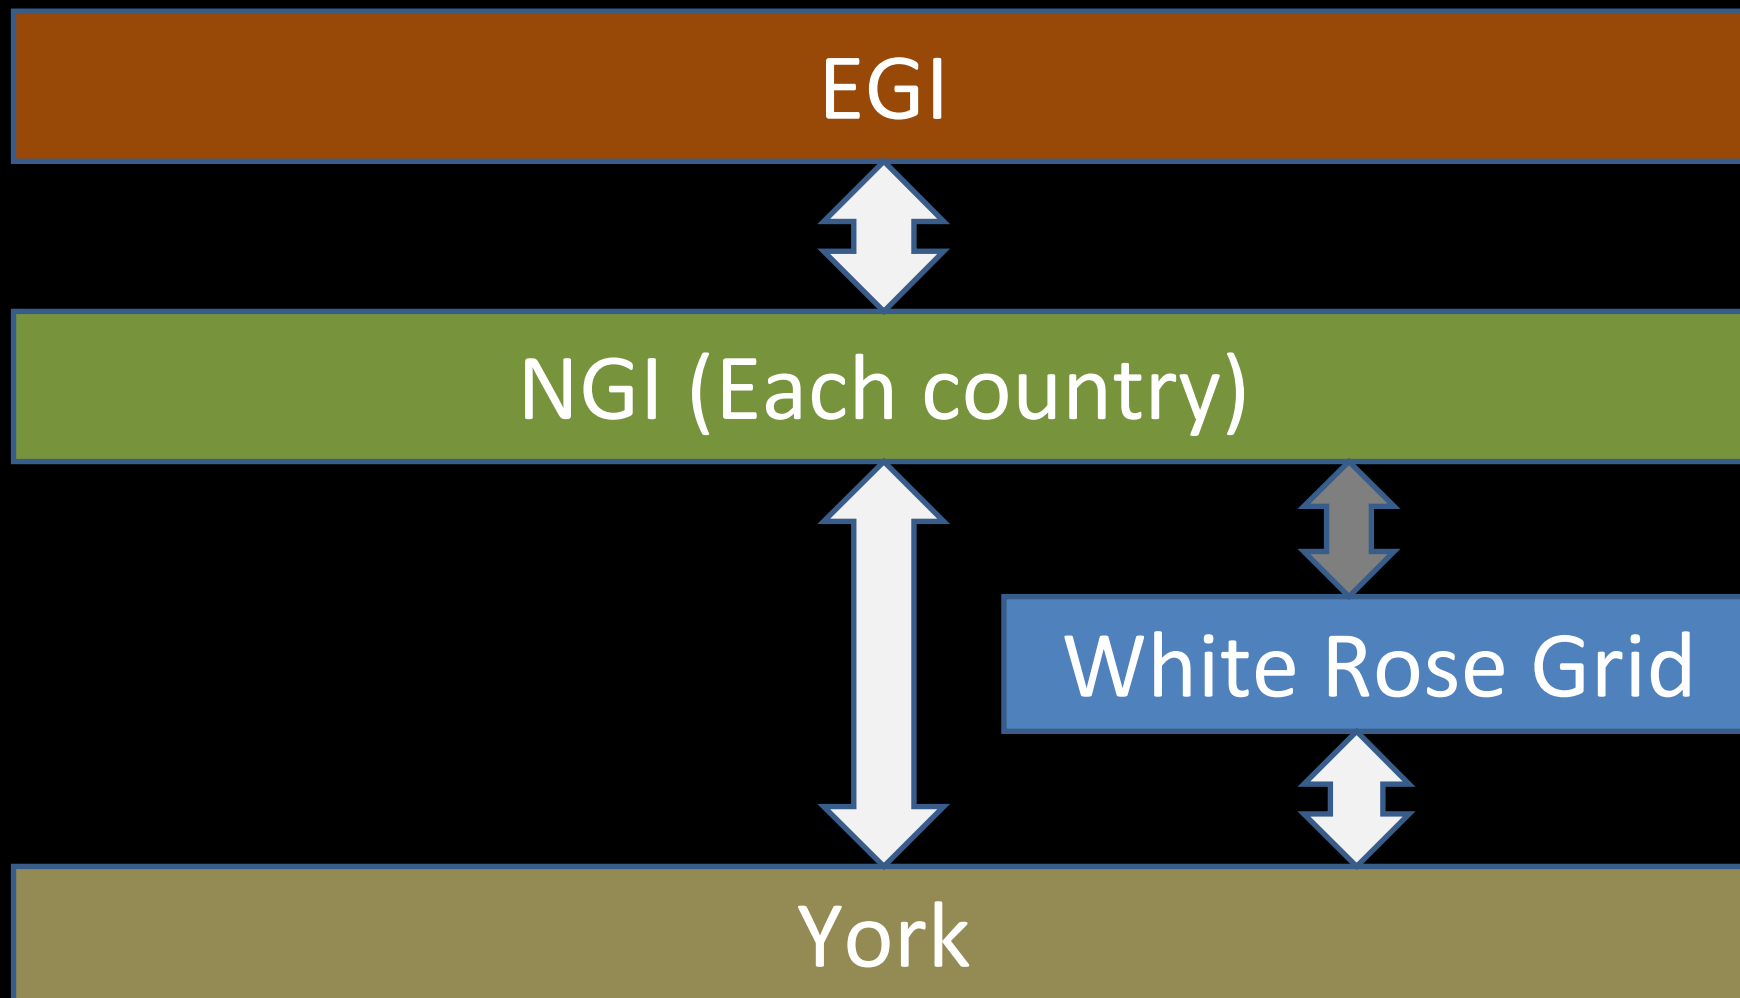

## NGS Affiliation

- York, Leeds, Sheffield all have at least affiliate status.
- Maintain middleware compatibility with NGS.
- Monitored as part of conformance testing.
- York is a member of NGS Collaboration Board:
  - As are WRG Partners Leeds and Sheffield

# NGS

## Local to International

Connecting Infrastructure

Connecting Research

# NGS

## Participation

- York active in NGS events:
  - Innovation Forum.
  - Communicating Science Events.
  - NGS Surgeries.
  - Training.
  - Etc.
- WRG Partners also active.

# NGS

## Resource Sharing

- Future model is resource sharing.
- NGS core nodes are old.
  - Unlikely to be replaced.
- NGS provides:
  - Support for middleware to enable sharing.
  - Match-making to enable sharing.
- White Rose Grid shares already.
  - As far back as 2002

## Support

- Support model is devolved.
- York provides front line support for York users:
  - Help desk
    - [ngs-support@wrg.york.ac.uk](mailto:ngs-support@wrg.york.ac.uk)
  - Campus Champion (Outreach to campus)
    - [ngs-campus-champion@wrg.york.ac.uk](mailto:ngs-campus-champion@wrg.york.ac.uk)
    - Aaron Turner

# NGS

## The Future

- York supports the NGS.
- WRG supports the NGS.
  - Each site and via WRG e-Science Centre
- New tools will make resource sharing easier.
- Provide more user access to more resources and tools.

# NGS

## York Thanks

- NGS Central Staff including:
  - Neil Geddes, Andrew Richards, David Wallom, Gillian Sinclair, Steven Young, David Fergusson, Mike Jones, John Kewley
- NGS Staff at Leeds:
  - Shiv Kaushal, Jason Lander, Joanna Schmidt
- WRG Colleagues at Leeds and Sheffield
